Seasonal Performances

We offer two performance opportunities throughout the year for our students to showcase their progress and love for dance.

Prior to the recital, a professional photographer will be onsite to capture both individual and group photos of the performers. Additional details, including scheduling and package options, will be shared as the performance date approaches.

Holiday Showcase and End of Year Recital

DECEMBER

We're excited to host a themed, in-house performance during the holiday season! This special event gives students the opportunity to show off what they've been working on in class. Dancers will perform a festive holiday routine, and families can enjoy treats and celebrate together.

MAY / JUNE

At the end of the season, students will participate in a themed Spring Recital, showcasing the choreography they've learned since January. This is a wonderful opportunity for dancers to celebrate their progress and perform on stage for family and friends.

As this is a new program, we are in the process of building and refining our recital experience year by year. We are currently exploring venue options to help keep costs as affordable as possible for families. Please note that recital fees and costume fees will apply.
